How did you find Nanny Coaching Team?

Preferred method of session (choose as many that apply):

_____ Phone Call

_____ Google Hangout

_____ Skype

_____ Other: Please identify _____

Have you ever worked with a life coach before? If yes, please explain.

What would you like to talk to your Nanny Coach about in your 45 minute session?

(Please be as specific as possible. The more detail you can give your Nanny Coach before your session, the less time you need to take explaining the issue or situation during your session leaves a maximum amount of time to discuss solutions.)

Do you have any apprehensions about discussing this topic? If so, what are they?

Do you feel that this issue can be resolved in one session or do you expect to need two or more sessions to find a lasting solution?

Is there anything else you would like your Nanny Coach to know before starting this process?
